CAREER STATEMENT

"Apart from my extensive knowledge of current education legislation, practices and procedures, I feel that my greatest strengths are firstly my ability to build sound relationships with staff and pupils. Secondly my skill at gaining a clear understanding of a pupils exact needs, and thirdly my commitment to safeguarding and promoting the welfare of children and young people at all times."

Karthika K R

PERSONAL SUMMARY

An experienced, enthusiastic and focused teacher who is committed to safeguarding and promoting the education and well-being of children and young people at all times. I am very passionate about giving young children the best possible education in life, and enjoy working in a busy environment and relish the challenge of managing a diverse workload. I could be able to establish a supportive relationship with not only students but also their parents and fellow teachers all with the aim of promoting and reinforcing a student's independence and self-esteem. I am such a person who is fundamentally committed to good practices and innovation and who is very much a team player. Always engaged in continuous learning in order to broaden my knowledge and experience, also I am confident, passionate and enthusiastic about working with children. Right now I am looking for a challenging teaching role that is only limited by the candidates drive and ambition.

CAREER OBJECTIVE

Looking forward for a challenging career where it would be use my potential to the fullest possible extend to achieve the goals of the organization , through work hard and self-improvement.
