Education

2020 - 2022

Bharathiyar University

M.Sc Botany – 72%

In the field of Botany, we use our knowledge to help manage parks, forests, range lands, and wilderness areas. Public health and environmental protection professionals depend on their understanding of plant science to help solve pollution problems.

2018 - 2020

Tamil Nadu Teacher's Education University

B.Ed - 81%

Bachelor of Education in the field of Biological Science, gave me the vast experience in teaching students and also to be a professional teacher. I've completed 4 months of school training as an internship during the course period as well.

2015 - 2018

Bharathiyar University

B.Sc Biotechnology – 79%

Biotechnology field had laboratory works in which it included recombinant DNA technology, food biotechnology, plant biotechnology, pharmacology etc. This made me to get a strong will for learning more about Biological Science.
