Kavandampalayam, Coimbatore

Passionate MSW graduate with strong knowledge of Social Studies concepts, enabling me to handle higher-level classes and engage in in-depth discussions on governance, policies, and social systems. With a strong background in social work, community development, case management, advocacy, and crisis intervention, I am proficient in designing programs focused on mental health, social justice, and community welfare. Committed to effecting positive change, I am enthusiastic about collaborating with a team to achieve impactful outcomes.
