  Percentage = 95%
- **SSLC** — 2015-2016
  P.A.Vidhya Bhavan , Karur
  Percentage : 96%

HOW CAN I BE AN ASSET TO THE INSTITUTION

- By placing myself in Student's perspective, I can identify potential difficulties and provide detailed, comprehensible explanations, leaving no student behind.
- My ability to connect with students and deliver confident instruction, gained through practical experience ,though outside formal settings, consistently yields positive and impactful student outcomes.
- I create a classroom where students feel comfortable and supported, understanding that emotional well-being directly impacts learning efficiency. My empathetic nature allows me to address student concerns, fostering a positive environment that enhances academic performance.
- I cultivate well-rounded students by integrating life skills and societal awareness into learning, empowering them to thrive beyond academic achievement.
