OBJECTIVE

Seeking a challenging position that further enhances my knowledge and experience while allowing me to leverage my education and qualifications. I am eager to pursue a role where I can engage in a variety of functions and contribute to the ongoing improvement of the organization

EDUCATION

Advanced in Diploma Montessori and Child Education from Aadhyaa Montessori Institute - 2024 — 87%

MBA in Business Administration from Vivekanandha Institute of Engg & Technology for Women - 2011 — 86%

BSC in Aeronautical Engineering from Nehru college of Aeronautics and applied science - 2008 — 76%

EXPERIENCE

Worked in The Ideal Mount Litera Zee School, Coimbatore as a Pre Primary Faculty (2 years)

CORE STRENGTH

Establish a warm and inclusive learning environment that promotes active participation among children within the classroom

Facilitate learning beyond the classroom setting to provide children with hands-on experiences that enhance their understanding of various concepts

Conduct regular monitoring and assessment of children's progress to ensure timely and constructive feedback is provided

Demonstrate a strong commitment to supporting students in their learning journeys in a natural and effortless manner

Develop a comprehensive weekly instructional plan

Prioritize the well-being and happiness of the children

Enhance children's communication skills and foster friendly interactions among peers
