EXPERIENCE

- TEACHING EXPERIENCE (April 2025-till present) at ADITHYA GLOBAL SCHOOL, COIMBATORE. Handling grade 5 to 8 science, providing the pathway to students under Cambridge curriculum. As a Science Teacher specializing in the Cambridge Curriculum, I bring hands-on experiments, interactive videos, and digital tools like Teachmint Board to create an engaging learning environment. I've also trained fellow teachers in implementing the Cambridge curriculum effectively, showcasing my ability to collaborate and lead. With experience in leading teams as Incharge in Scouts and Guides, I design and execute events that promote teamwork, leadership, and personal growth.

- TEACHING EXPERIENCE (Jun 2024- March 2025) at NIRMALA MATRIC AND HIGHER SECONDARY SCHOOL, OOTY.
  · Returned to my Alma mater, contributing to its growth, particularly with the launch of the 11th standard this year. · 11th grade Chemistry, 9th grade Science, 6th and 7th grade Mathematics: With a passion for education, I strive to create a dynamic and engaging learning environment, blending theoretical concepts with practical applications for the above grades. · I am proficient in using modern tools like sense board to create interactive and interesting learning experience.

- RESEARCH CHEMIST & WORKING PARTNER (Aug 2023- May 2024) at SNAB LABS, a startup based in Coimbatore.
  - Researched and analyzed the efficacy of natural preservatives and naturally derived fragrance oils promoting long-term consumer health.
  - Formulated and developed sustainable products like skincare, homecare and pet care products.
  - Led a team of interns in the laboratory, providing comprehensive training on laboratory protocols and procedures for the products that I personally developed.

- Intern at SNAB LABS (Jan 2023 – June 2023)
  - Analyzed research papers and presented findings, contributing insights to company projects and initiatives.
  - Formulated samples of homecare and personal care products, contributing to product development initiatives.
