NANDHA KUMAR S

School Teacher | Academic Mentor | Social Studies & General Science | Classes 6–10 (CBSE)

6364066674 | nandhanaveen845@gmail.com | Ooty, Tamil Nadu, India

PROFILE SUMMARY

Passionate and dedicated individual with a deep love for teaching, knowledge-sharing, and student development. Holds a strong command of CBSE curriculum for Classes 6–10, particularly in Social Studies and General Science, developed through rigorous self-study during SSC CGL examination preparation. Complemented by hands-on tutoring experience with neighbourhood children from CBSE backgrounds, this practical exposure has built strong classroom communication, patience, and the ability to simplify complex concepts for young learners. A former IT professional at Wipro Technologies, bringing an added advantage of structured thinking, disciplined work ethic, and excellent communication skills. Eager to transition into a fulfilling teaching career and make a lasting difference in students' academic journeys.

TEACHING PROFILE

Subject Specialization: Social Studies (History, Geography, Civics, Economics) & General Science — CBSE Classes 6 to 10

Academic Preparation: Completed comprehensive study of CBSE Classes 6–10 curriculum across all core subjects during SSC CGL preparation (2021–2026)

Tutoring Experience: Informally tutored neighbourhood children from CBSE background — covering concepts, exam preparation, and doubt-clearing sessions

Teaching Approach: Student-first, concept-based learning with emphasis on building understanding rather than rote memorisation

Language of Instruction: English Medium

Student Level: Middle School — Classes 6 to 10

CORE STRENGTHS

Passion for Teaching: Genuine enthusiasm for sharing knowledge and nurturing young minds — teaching is not just a career choice but a personal calling

Patience & Empathy: Naturally patient with learners at different levels of understanding; able to explain the same concept in multiple ways until it clicks

Communication: Excellent verbal and written communication in English; experienced in presenting ideas clearly to diverse audiences

Subject Depth: Thorough conceptual knowledge of CBSE Social Studies and General Science backed by SSC CGL-level academic preparation

Student Mentoring: Focused on holistic student development — academic confidence, critical thinking, and career awareness

Adaptability: Quick learner, open to new pedagogical approaches, school systems, and grade-level assignments

Shift & Schedule Flexibility: Fully flexible with school hours, split shifts, or any scheduling requirement

TEACHING & MENTORING EXPERIENCE

Private Home Tutor 2021 – Present

Neighbourhood Students | CBSE Background | Classes 6–10 | Ooty, Tamil Nadu

- Tutored multiple children from CBSE-affiliated families in the local neighbourhood, covering Social Studies, General Science, and other core subjects.
- Designed simple, engaging lesson plans that aligned with CBSE syllabus outcomes and helped students prepare for school examinations.
- Conducted regular doubt-clearing sessions, identifying each student's weak areas and addressing them with personalised explanations.
- Tracked individual student progress over time, adjusting teaching pace and style to match each learner's unique pace of understanding.
- Built strong rapport with students and parents through consistent communication, transparency, and genuine care for student outcomes.
- Helped students build study habits, time management skills, and examination confidence alongside subject knowledge.

ACADEMIC PREPARATION & SELF-STUDY

SSC CGL Examination Preparation 2021 – 2026

Self-Directed Study | CBSE Curriculum (Classes 6–10) | All Core Subjects

- Undertaken rigorous preparation for SSC CGL — one of India's most competitive national examinations — requiring mastery across a broad academic curriculum.
- Covered CBSE Social Studies in depth: Indian History (Ancient, Medieval, Modern), World Geography, Physical Geography, Civics & Political Science, and Economics.
- Studied General Science comprehensively: Physics, Chemistry, and Biology concepts up to Class 10 CBSE level.
- Developed strong command over Mathematics, English, and General Knowledge — enabling confident delivery across interdisciplinary topics.
- This preparation not only built subject expertise but also sharpened the ability to break down complex topics into clear, digestible explanations — a core teaching skill.

PRIOR PROFESSIONAL EXPERIENCE

Wipro Technologies Feb 2018 – Oct 2021

Test Engineer | IT Industry | Zurich Insurance Group Project

- Worked in a structured corporate environment at one of India's leading IT firms, developing strong professional discipline, communication, and teamwork skills.
- Regularly presented project status updates to international clients, demonstrating clear verbal communication and composure in formal settings.
- Led a sub-team of 3 members, coordinating tasks, monitoring progress, and fostering a collaborative work environment.
- Coordinated with onshore and offshore teams across time zones — building cross-cultural communication and interpersonal flexibility.
- Developed meticulous attention to detail, analytical thinking, and structured problem-solving — qualities directly transferable to classroom instruction and lesson planning.
