Enrichment: Creative Arts, Storytelling, Sensory & Motor Play

Child Development: Observation, Documentation, Inclusive Practices

Communication: Parent-Teacher Collaboration, Team Synergy

Health & Safety: First Aid, High Hygiene Standards, Safety Compliance

PROFESSIONAL EXPERIENCE

FULL-TIME STAFF

Grand River Early Learning Academy, Ontario, Canada *Sep 2023 – Apr 2026*

- Facilitated daily learning experiences and nurturing environments for infants, toddlers, and preschool children.
- Executed age-appropriate activities that actively stimulated cognitive, social, emotional, language, and physical development.
- Conducted detailed behavioral and developmental observations to document child progress accurately.
- Led high-energy, engaging circle-time sessions featuring interactive songs, structured storytelling, and group discussions.
- Monitored classroom ratios and maintained strict compliance with stringent Canadian childcare regulations to ensure maximum safety.
- Fostered strong, trusting relationships with families through transparent communication regarding children’s milestones and experiences.

SUPERVISOR

Happy Kids Afterschool Program, Ontario, Canada *Sep 2024 – Apr 2026*

- Managed and supervised school-age children in an engaging, secure, and productive after-school environment.
- Facilitated structured educational and recreational activities, including foundational language and number play.
- Cultivated a positive space that encouraged children's independence, cooperative problem-solving, and healthy social interactions.
- Provided critical emotional support, managed daily safety, and coordinated healthy snack routines.

- Served as a reliable point of contact for effective communication between families, children, and internal staff.

SUPPLY STAFF

Grand River Early Learning Academy, Ontario, Canada *Aug 2023 – Sep 2023*

- Delivered high-quality care, comfort, and emotional support during drop-off routines for infants and toddlers.
- Supported lead classroom educators with daily operations, classroom preparation, and executing planned learning activities.
- Promoted early language acquisition and listening skills through responsive interactions, targeted storytelling, and nursery rhymes.
